Seasonal Attractions

Jan.-Aug.

Experience **JUNCTION FUNHOUSE**, with exciting elements recalling amusement park fun-houses of the past, with trick mirrors, spinning black hole, hurricane room and surprises behind every door.

Fall

Halloween is the theme! The daytime experience will be kid friendly, but when the sun goes down the scare factor goes up.

For kids during the daytime, **JACK-O-LANTERN JUNCTION** presents the fun of Halloween in a kid-friendly, low scare themed environment where little ghouls and goblins can roam well-lit mazes.

At night on weekends, **JUNCTION NIGHTMARE** is so intense we are required to say that it's actually TWO mazes...for those brave enough to experience them!

www.JunctionNightmare.com

In **RIPPER'S REVENGE**, you realize your worst nightmares as you are transported into the seedy, foggy back alleyways of 1880s London. In **FEAR FACTORY**, the blood-curdling terror of evil clowns await as you make your way through disorienting fog, crackling downed electrical wires and howling wind.

Winter

A holiday family tradition in the making, **CHRISTMAS JOURNEY** creates a warm holiday glow with two walk-thru experiences magically transformed into what will be one of the top holiday celebrations anywhere.

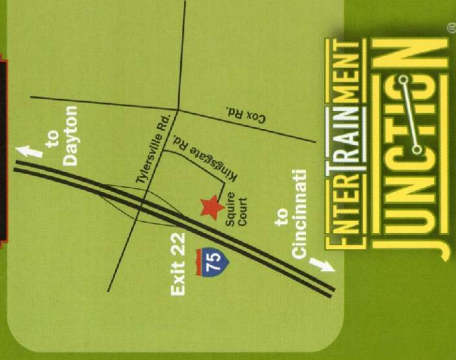

In **A CHRISTMAS CAROL**, you are transported to the time of Charles Dickens and become part of his classic holiday story: the enduring tale of Ebenezer Scrooge and Tiny Tim.

In **JOURNEY TO THE NORTH POLE**, you are immersed in an amazing winter wonderland, as you embark on a memorable family voyage to the North Pole, where visitors will be greeted by reindeer, elves, Mrs. Claus and Santa himself.
